

POLICY STATEMENT

Mercure Hotel Suites and Apartments are conscious of global environmental issues and acknowledge our responsibility towards the environment. While the wellbeing of our guests remains on the forefront, we commit ourselves to carry out operations in a suitable manner, taking every step to minimize operational impact on, and preserve the environment wherever we operate. We

In delivering this commitment, Mercure Hotel Suites and Apartments will endeavour to:

- Meet or exceed applicable environmental legislations, environmental standards and best practices
- Value and preserve the natural and cultural heritage of our hotels, thus enabling our guests to enjoy an authentically local experience.
- Promote efficient use of materials and resources across our hotels, especially water and energy.
- Work diligently to minimize our waste stream by reusing, recycling and conserving natural resources, particularly through energy and water conservation.
- Set sound environmental and social objectives and targets, integrate a process of review and issue progress reports on a periodic basis.
- Continually identify opportunities for improvement of our environmental management system.
- Promote awareness and educate employees on environmental issues and sustainable working practices.
- Engage our guests, colleagues, suppliers, contractors and the local community in our initiative to preserve the environment and consider their opinion/feedback when setting out environmental program and procedures.
- Conduct environmentally preferable purchasing
- Participate in efforts environmental protection at local and national levels.

Objectives

- This policy is intended to guide our hotels towards sustainable management
- The hotel is required to set its own environmental management procedures in line with the policy and with due consideration to its specific location.
